

Faculty Development Policy

REF NO.	LEAD/ACAD/POL/004/22	REVISION NO.	R3	13 APR 2022
---------	----------------------	--------------	----	-------------

1. PREAMBLE

LEAD considers the faculty as its best asset. The institutional and academic organizational structures and academic policies have been developed to afford the faculty the maximum academic freedom to contribute to the institutional mission and goals. The LEAD College of Management, has an effective faculty development policy for teaching and nonteaching staff.

2. APPLICABILITY

This policy is applicable to all teaching and non-teaching staff members of the institution

3. OBJECTIVES

- The policy is designed to enhance the quality of teaching and non-teaching faculty.
- To motivate teachers for educational research and publications by developing research culture in university
- To develop conducive environment for acquisition of knowledge and clinical skills required for performing the role of competent and effective teacher, administrator, researcher and mentor.
- To sensitize teachers about new concepts in teaching and assessment methods.

When moulding future management leaders, it is important to give them personalized attention and profound care besides teaching management. Building a strong foundation is a major key to raising effective business leaders who can deal their cases with empathy and congruity. There are but only a few business management institutes in India who foster these perspectives and Lead College of Management is one such institutes.
